Why a Spirit of America Youth Leadership Program?

Through experiential learning and critical thinking exercises, Freedoms Foundation inspires the next generation to take up the responsibilities of citizenship and develop character.

Today's youth—tomorrow's leaders—must become the responsible citizens the United States needs, and this responsibility begins with a deep understanding of the principles on which the American government was founded.

MOWW Chapter will provide interested students, who meet local chapter requirements, a full scholarship (tuition and transportation) to the conference Secondary School Principals Association Approved Activity.
