

EDUCATE HONOR CHALLENGE

Dear Chapter Presidents and Representatives,

This week, we continue to press forward at headquarters and I hope all remains stable in your homes and communities.

There are just a few updates this week. First, I was recently asked if a student who was unable to attend their scheduled Spirit of America Program from earlier this year, could attend one of the programs this fall. The answer is yes! We will have slots available on both the October 8-11 and October 22-25 dates and would love for them to attend. This also pertains to any chapter that was unable to get students organized for the spring and would like to send students this fall.

Second, I am still looking for a few chapter rosters – Bay State, Broward, Jacksonville, New Orleans, Orange County, Sacramento, Tucson and Valley Forge. If you did send your roster, I apologize it might have gotten lost in the shuffle of moving from the Valley Forge office to the home office. The chapter records in Salesforce are coming along nicely. It is great to have all our records in one place and accurate.

Third, I would like to gather as much chapter information to help us better serve you. To that end, I would like to request that you send via email or mail (we are still checking on a regular basis) a copy of your chapter's by-laws/standing rules. Keeping a current and accurate profile of each chapter is a way we can better understand your chapter's needs. Thank you in advance for your assistance on this project.

Finally, I am pleased to share a third video this week in our video series. This week's video is on the Medal of Honor Grove.

The Medal of Honor Grove - <https://youtu.be/oT0RHMzF5Co>

Thank you for all you do. Let us know if we can be of any assistance to you and your members. Happy Easter and Passover!

Be safe and stay healthy!
