

2023 Education Program Spring/Summer Season Staff

[Freedoms Foundation at Valley Forge](#) is hiring education program staff for residential civic education programs for elementary, middle, and high school students. The roles are largely supervisory and offer instructional time in small and large group settings where program staff who are passionate about history, politics, and civics and economics get to lead discussions and content-based sessions. Staff will be trained in the content-specific areas. Camp counseling, resident life, and/or informal teaching experience helpful, but not necessary. We currently have several positions open immediately.

If interested in applying, please send your name, resume, and position title you are seeking in a brief email to Deepak Bhagat at dbhagat@ffvf.org. Applicants must hold, or be able to complete, PA clearances for working with youth, including PA criminal background check and PA Child Abuse clearance. More information on our student education programs can be found [here](#).
