We welcomed Brig. General Ronald Rand, USAF (Ret) to our board. General Rand brings to the role: 32 years of distinguished service in the Air Force, which culminated in the position of Director of Public Affairs in Washington, D.C.; subsequent ten years at Pratt & Whitney and Lockheed Martin; and his current position as President and Chief Executive Officer (CEO) of the Congressional Medal of Honor Foundation.

Poised for Growth
Message from the President

This fiscal year has been about sharpening our vision regarding the needs for civic education and working towards building a team and program to respond to that need. This focus is at the heart of our mission to Educate on American rights and responsibilities, Honor acts of civic virtue, and Challenge all to reject apathy and get involved.

To that end, we have added new programs to our offerings, added staff to support our chapters and expand our development efforts, and developed key and potentially long-term relationships that have attracted a much more culturally and financially diverse student population.

These are exciting times, and they are challenging times. Research and experience both indicate the untapped potential for growing our student and graduate teacher educational offerings. The challenge is to adapt our funding approach to the current development environment.

In the pages that follow, you will read about the strides Freedoms Foundation has made in addressing both the need and the challenge of bringing our mission to life. What may not be as evident is the great effort and commitment made by the Freedoms Foundation team and the tandem support provided by our Board of Directors—without which, our success could never have been as great. I am proud to be associated with both and confident that together our efforts position us to build on our success in the year ahead.

Sincerely,

Michael E. Di Yeso
President and Chief Executive Officer
EDUCATE

FY 2016 GRADUATE COURSE STATS

Number of teachers enrolled: 190
Number of states represented: 40 + District of Columbia

SUMMER 2015
TEACHER GRAD PROGRAMS

Medal of Honor (MOH) Seminar:
MOH Legacy

Workshops:
Revolution of the Middle States
Civil War East

Traveling Graduate Workshops
Teachers Experience Authentic Representations of History

The traveling graduate workshops provide teachers with a unique opportunity to experience the physical history of their subject matter. By experiencing the physical history of places associated with topics such as the American Revolution and the Civil War, amongst others, teachers obtain a concrete experiential understanding of history that they can bring back to their classrooms, as well as additional knowledge about the subject being studied and pedagogical techniques. Each workshop is rich with content and workshop participants form an active and engaged professional learning community that often continues after the workshop has ended.
Graduate Teacher Program Expands to Match in Interest

This past summer’s programs saw major scholars present at our graduate teacher seminars from such institutions as the University of Pennsylvania, Rutgers University, Temple University, West Point, and Korean Defense University, amongst others. Medal of Honor Recipients and other veterans from World War II through to the War on Terror also spoke to attending teachers. These programs showed Freedoms Foundation’s growing success in promoting civic education through professional development opportunities for teachers.

New Director of Education

Eugene J. Halus, PhD, Takes on New Role

As part of our plan to build the graduate teacher program, Dr. Eugene Halus joined our organization in July, 2015. He brings a diverse background with a varied skillset and experience to the graduate program at Freedoms Foundation. His prior positions in academia include: Chair of the Department of History and Political Science at Immaculata University; teaching positions at Ohio University and St. Joseph University; and high school social studies. Outside of academia he worked for Joseph O’Toole of the Senate of the Republic of Ireland, was an investigator for the General Accounting Office as part of the Presidential Management Interns program, and volunteered in Haiti and Nicaragua, building villages, schools, clinics, and other life-sustaining operations.

Dr. Halus received his BA in Political Science from LaSalle University and a PhD from Catholic University of America.

MOH SEMINAR ATTENDEE

“...The Medal of Honor Legacy Program refined my focus on the impact one individual can make in history, through their individual courage, integrity and commitment—all values that are vital to reinforce in the mind of the middle school student...”

Anna-Lisa Dahlgren
Teacher of 8th Grade
US History
Marshall, WI
FY 2016 STUDENT COURSE STATS

**Spirit of America**: 909

**History Encounters**: 375

**Service Learning in Public Policy (SLIPP)**: 42

**Number of states represented**: 50, plus Puerto Rico and Guam

NEW PARTNERSHIPS ESTABLISHED

We were successful in developing key and potentially long-term relationships with organizations like Esperanza Academy, Philadelphia Boys and Girls Club, Philadelphia Futures, and the Springfield (IL) Boys and Girls Club. An important by-product of these partnerships has been a much more cultural and financially diverse population at our student programs.

**Spirit of America Youth Leadership Program**

*Radian Sponsors Philadelphia Students*

Radian sponsored 75 students from Philadelphia who attended the February 25-28, 2016 Spirit of America program at Freedoms Foundation. S.A. Ibrahim, CEO of Radian, was the keynote speaker during the weekend. The program also featured a newly developed financial literacy workshop with discussion on topics such as student loans, budgeting and credit card debt.

*AMVETS Achieves Attendance Record*

There were major achievements in FY 2016; the first among them came from our program partner AMVETS. AMVETS held their annual Spirit of America Youth Leadership Program in November of 2015 and for the first time the organization achieved its goal of a representative student from each of the 50 states. In all, AMVETS sponsored 129 attendees to the Spirit of America Program this year.

This year was also highlighted by support from funders, the Armstrong and Strake Foundations. With the money received, our Dallas and Houston Chapters were able to send students to the Spring 2016 SOA programs and cover their travel costs.

Freedoms Foundation was also pleased to have the Knights of Columbus Father Kapan Chapter as a new local sponsor, who sent students from Chester and Delaware Counties.
Youth Advisory Council
Answering the Call to Get Involved!

A Youth Advisory Council (YAC) was formed and introduced this year and is led by program staffer, Christine Thieme, MA. The YAC is comprised of 11 young people from across the nation, who are responsible for advising national headquarters on strategies and issues concerning the organization, representing Freedoms Foundation nationally and locally, and adopting service projects and major initiatives that measurably advance the mission of our organization. More specifically, within their first year, the YAC will be evaluating the programs, assisting with fundraising and awards, and helping the volunteer chapters and national headquarters connect better.

Feasibility Study Identifies Opportunity
Middle School Civics and Character-Based Education

Through the generosity of the Jessie Ball duPont Fund in FY 2016, a feasibility study was completed to determine the market for a civics and character-based middle school program. Participation in the study consisted of 120 teachers and school administrators who were surveyed to determine the level of interest and support for the idea. Political scientist and researcher, Diane Owens from Georgetown University conducted the survey. Her findings revealed significant support for a middle school program focused on responsible citizenship and character. The benefits of a middle school program include bringing civics and character to students at an age where they are still forming their identity while discovering and defining the principles that will guide their development as citizens. In addition, we would be bringing the programs to the schools, thus eliminating the travel barrier. The program would be held for an entire grade for increased impact (between 100—500 students). It would include a local service component, be national in scope, and include impact measurements and a potential research component. The middle school initiative will be further explored by our board as a potential educational offering in the future.
HONOR

Distinguished Citizen Award
Honoring the Best of Our Great Nation

FY 2016 included the return of the Distinguished Citizen Award. With strong commitment from our board, we were able to hold a successful event on April 21st and recognize Dr. Josephine (Pina) and her late husband Dr. Jack Templeton for their civic contribution.

Drs. Jack and Pina Templeton have epitomized responsible citizenship by dedicating their lives to the service of others as both physicians and philanthropists for more than four decades. With a steadfast commitment to their faith, family, and country, both have been champions of free enterprise, individual liberty, and a vision rooted firmly in that of the Founding Fathers.

L to R: Frank Brulenski, Dr. Josephine Templeton, Michael Di Yeso
Leavey Awards
Honoring Excellence in Private Enterprise Education

The 38th Annual Leavey Awards were held November 2015 in New Orleans, marking the first year of a new three-year collaboration with the National Council for Social Studies (NCSS). The goal of this newly formed relationship is to help expose the Leavey Awards to a greater audience of educators. Over 3,500 teachers attended the first year of this partnership. As part of the new venture, Freedoms Foundation hosted an awards luncheon and a mini Leavey Summit, and had a booth in the exhibit hall.

In addition to the conference, the weekend was filled with great events, including a special reception for the Leavey recipients at the National World War II Museum. Guests honoring the teachers included members of our New Orleans Chapter, Freedoms Foundation and the NCSS board members, and Leavey Foundation Trustees, including Kathleen McCarthy Kostlan, daughter of Thomas and Dorothy Leavey.

The keynote address was given by Liz McCartney, CNN Hero and Co-Founder of the St. Bernard Project. Liz and her husband established the St. Bernard Project to help re-build New Orleans communities after Hurricane Katrina. She talked about the ongoing impact of Hurricane Katrina on New Orleans 10 years later and the difference people are making to help those in their community get back their lives.

Leavey Award Legacy
In total, this important program has recognized over 600 teachers and awarded nearly $4 million dollars.

2016 LEAVEY AWARD
Recipients: 12
From: 7 states and Puerto Rico
Awarded: $82,500
When: November 14, 2015

AWARD RECIPIENTS

Liz McCartney, CNN Hero and Co-Founder of the St. Bernard Project
NATIONWIDE CIVIC RECOGNITION

In total, the National Awards has recognized close to 57,000 citizens from all 50 states.

NATIONAL AWARDS

Recipients: 68 of the George Washington Honor Medal

Broward County (Florida) Chapter hosted awards ceremony honoring recipient Amy DeCelle.

San Diego Chapter award ceremonies honored Omar Passons.

National Awards Program
Celebrating 66 Years of Recognizing Civic Contributions

During this fiscal year, Freedoms Foundation completed its 66th year of recognizing citizens for their civic contributions through our nationally recognized George Washington Honor Medal. Significant accomplishments within our FY 2016 National Awards Program include:

- Aligning all chapters to traditional February date, enabling us to promote our program and impact on a national level.
- Added Hero Awards to our awards program, affording the chapters the opportunity to recognize citizen acts outside the scope of the GW Honor criteria. Roughly 50% of chapters participated in year one.
- Presented 68 awards during the 14 events held.

L-R: Amy DeCelle (Awardee), Johnny Castro (Broward County Chapter Member), and Abi Montes (Broward County Chapter President)

L-R: Brenda Ferich (San Diego Chapter President), awardee Omar Passons, and Adele Lancaster (San Diego Chapter Member)
We honor acts of civic virtue....

**Medal of Honor Grove**

*Honoring Recipients of Our Nation’s Highest Award for Valor*

Led by the Friends of the Medal of Honor Grove and the support of generous donors in particular the Medal of Honor Foundation, we continue to make substantial improvements. Most notably was the continued resurfacing of the pathways within the Grove. The third section was completed, and the fourth is scheduled for summer of 2016. The remaining sections will be completed in FY17. The Friends also launched an “Adopt an Acre” maintenance program during the year and over half of the 52 sites have been adopted.

The Medal of Honor Grove has undergone significant progress in the past 6 years. The acres are groomed monthly, recipient names are updated, paving of the roads are almost complete and trees have been removed and replacements planted. Schools, companies, scouts, veterans, active military and the community come together for dozens of cleanup days throughout the year to achieve this.

Freedoms Foundation thanks the volunteer organization that has proven to be the greatest advocates for The Grove, the Friends of the Medal of Honor Grove, for their dedication in continuing to maintain and enhance the Grove.

2015 Chapter of the Year
Broward County Recognized for Outstanding Contributions

2015 marked the inaugural year for the Chapter of the Year Award. The Broward County Chapter was presented with the award for their outstanding contributions to our organization. Here are just a few of the Chapter’s accomplishments in 2015: increased its membership by 23 percent; brought in new partner organizations to help support its mission; sponsored 84 students to Spirit of America; sent teachers to the Medal of Honor Legacy Program; and held several successful fundraisers, including a Change = Change scholarship program.

Freedoms Foundation Chapters
A Heritage of Support

The mission of Freedoms Foundation was truly exemplified in the efforts of our volunteer chapters. Six Freedoms Foundation chapters sponsored 31 teachers for our graduate teacher program, with the Utah chapter sponsoring 18. Thank you for accepting the challenge!

Development Manager Joins
Louise Savarese Helps Chapters

Louise Savarese joins Freedoms Foundation to bring support to the area of our volunteer chapters. In her role, she operates as a liaison between Freedoms Foundation and our 26 chapters around the country. She develops programs and communications and helps groups become chapters. Louise brings her passion for American history and the Constitution along with her desire to work within the nonprofit community.

From the Philadelphia area, Louise received her BA in Politics / American Government from Catholic University, an MPA in Nonprofit Administration from West Chester University of Pennsylvania, and an MA in Political Philosophy from Villanova University. She brings mass-market fundraising events experience and a fundamental belief in the teaching of our founding documents and history.
National Volunteer Chapters Meeting  
47th Annual Event Brings Attendees from Across US

Chapter members from around the country convened at the Valley Forge campus from September 10-13, 2015 for the 47th Annual Freedoms Foundation National Meeting. Conference highlights included a 9/11 Memorial Chapel Service and Heroes 5K run, news and updates from the national office, a Q&A session with the national board of directors, the Red, White, and Blue Banquet, and an awards ceremony.

Among the excitement, three dedicated chapter members were presented with the Chapter Member of the Year – Spirit of ’76 Award: Elizabeth Benton, Judge Joseph Ferrino, and Marilee Hawkins Cherry.

Elizabeth “Bankie” Benton of the Broward County and Mary Ball Washington Chapters played a crucial part in the Mary Ball Washington Chapter’s beginnings. Though her home state is Virginia, she has been an active member in Broward County previously serving as President in both Chapters.

Judge Joseph Ferrino’s list of involvement with the Foundation is extensive and includes being the founder of the Bay State Chapter in East Boston, MA. The judge has worked for years to send students to the Spirit of America Youth Leadership Programs and support the Medal of Honor Grove, all while serving the chapter in many different capacities since its inception in 1981.

Being a part of three of the five volunteer chapters in California, Marilee Hawkins Cherry has been a FFVF member for 47 years! With a passion for youth education, Marilee has served as VP of Youth and Programs; for the Orange County and Los Angeles Chapters as well as the Western Region Advisor, National Board of Directors, and a two term president of the Orange County Chapter.
Two very specific fundraising goals stood above the rest this year. First, we wanted to reinvigorate our Development Committee and second, fund 300 teacher scholarships for summer 2016. The Development Committee led by Wally Nunn included John Heenan, Jerry Poole, Rick Griffith, Chris Rothey and Bill Perry who came together and focused their efforts behind raising $420,000 (an increase of $153,000 from the prior year) to fund the teacher programs.

Reaching students through teachers is clearly the most efficient method as each reaches an average of 100 students per year resulting in a greater impact per dollar spent (vs. direct student programs) and a very attractive value for our supporters. We were extremely successful in FY 2016 as a result of increased funding from the Murdock Trust (increasing by 50%), the Bradley Foundation (by 28%) and the Medal of Honor Foundation and Society, who more than doubled their support.

These substantial results from both staff and Board members brought us within $100,000 of our goal by midyear. After much discussion, it was decided the final push would be to hold a fundraising dinner and reinstate the Distinguished Citizen Award. Led by Mr. Nunn and co-event sponsors Messrs. Heenan and Poole, the events captured the interest and support of the board at an unprecedented level.

2015 Medal of Honor Legacy Graduate Teacher Class
**Inaugural Event Surpasses Goal**

*Helps Reach Goal of 300 Teacher Scholarships*

An Evening With Freedoms Foundation: Celebrating Teachers, Character, and the Medal of Honor is an annual event that launched this year as a means to raise funds for teacher scholarships. The idea was conceived and developed by our Board of Directors and staff and held on April 21, 2016 and netted $100,000. These proceeds along with increases in funding from the M.J. Murdock Charitable Trust, the Medal of Honor Foundation, and The Lynde and Harry Bradley Foundation made it possible for Freedoms Foundation to achieve its goal.

The event was also used to present our **Distinguished Citizen Awards**. Drs. Josephine Templeton and the late John Templeton were awarded and recognized for their lifetime commitment to civic education and character development. (See page 8)

Celebrating Teachers, Character, and the Medal of Honor was the first fundraiser held since 1994. The event was held to raise funds for teacher scholarships to attend our Medal of Honor Legacy program.

**INAUGURAL FUNDRAISING EVENT**

- **Attendees:** 173
- **Money raised:** $100,000
- **Scholarships sponsored:** 72
- **Estimated student impact:** Up to 45,000

**DISTINGUISHED CITIZEN AWARD**

- **Recipients:** Drs. Jack and Pina Templeton

**MEDAL OF HONOR GUESTS**

(pictured from L to R)

- Staff Sergeant Clinton Romesha (Afghanistan)
- Major General Patrick Brady (Vietnam)
- Sergeant First Class Melvin Morris (Vietnam)
- First Lieutenant Brian Thacker (Vietnam)
